Dear Name:

To create your own letterhead template:

- 1) Insert your company name in the area provided at the top of this page.
- 2) Edit your company information on the page footer by selecting View/Header and Footer. Press the Down Arrow to go to the Footer. After edits are complete, click Close in the Header and Footer menu to return to the letter.
- 3) Choose File Save As. At the bottom of the Save as dialog box, select Document Template (\*.dot) for the Save as type.

To create a new document from your newly saved template, select File New and re-open your template as a document. (Your company information should now appear in place.)

Sincerely,

Your Name
